2 YOUR EVERYDAY COMPANION!

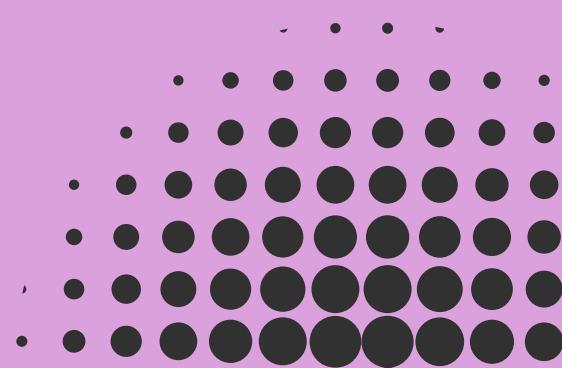

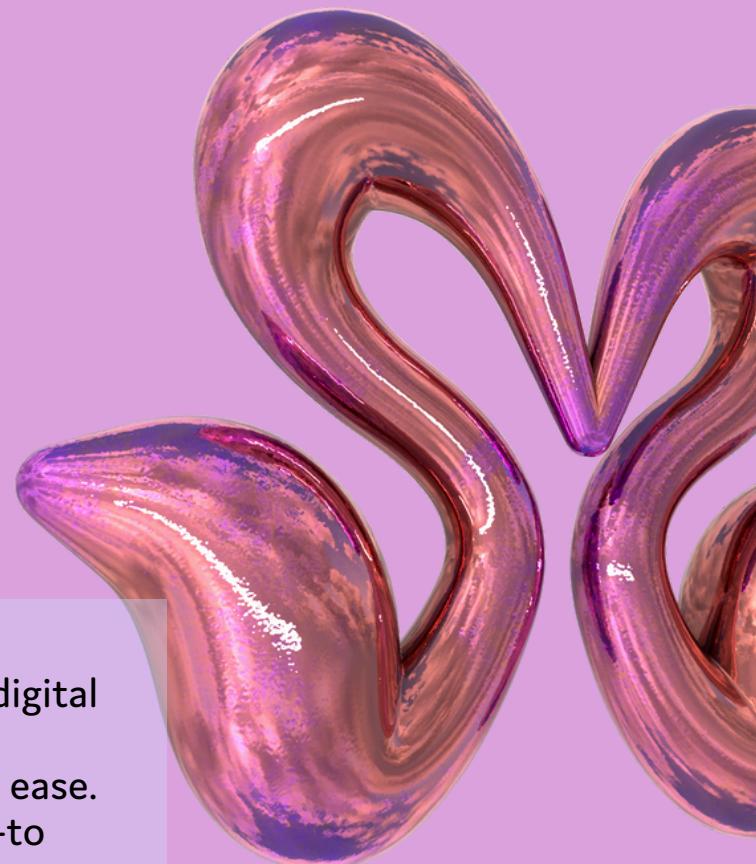

The screenshot shows the Microsoft Copilot homepage. At the top, there are links for 'COPILOT' (selected), 'NOTEBOOK', 'Get the app', 'Español | català', and 'Sign in'. On the right, there's a 'Chats' section titled 'Copilot GPTs' with options for 'Copilot', 'Designer', 'Vacation planner', 'Cooking assistant', and 'Fitness trainer'. Below this, there are three cards: 'Create a packing list for a weekend getaway' (image of folded clothes and a camera), 'Invent a new fusion recipe that combines Italian and Japanese cuisines' (image of a dish), and 'Share some fascinating facts about ocean tides' (image of a beach and ocean). At the bottom, there's a cookie consent banner with 'Accept', 'Reject', and 'More Options' buttons.

5 NEVER MISS A WORD: TRANSCRIBE & SUMMARIZE!

The screenshot shows the Otter.ai homepage. At the top, there's a navigation bar with the logo 'Otter.ai', 'Solutions', 'Pricing', 'Apps & Integrations', 'Resources', 'Schedule a Demo', 'Log In', and a prominent 'Start for Free' button. Below the navigation, a large section is titled 'Introducing Meeting GenAI' with a star icon. It includes a sub-section titled 'AI Meeting Assistant' with a description of getting automated meeting notes and summaries using OtterPilot. Another section, labeled 'NEW', is for 'Otter AI Chat', which allows users to get answers and generate content like emails and status updates. A third section, also labeled 'NEW', is for 'AI Channels', which combines live conversations with sync updates. At the bottom of the page, there's a summary of Otter AI's features: it transcribes meetings, generates detailed notes, and provides live summaries. It's described as perfect for professionals, students, and anyone who needs to capture conversations on the go, and it promises to elevate productivity and stay organized.

Otter AI
Never miss a word with Otter AI, your real-time meeting assistant! Transcribe meetings, generate detailed notes, and get live summaries effortlessly. Keep track of important discussions and decisions with crystal-clear accuracy. Perfect for professionals, students, and anyone who needs to capture conversations on the go. Elevate your productivity and stay organized with Otter AI!

6 ALL OF YOUR MIND IN ONE PLACE!

Notion

Streamline your workflow with Notion, the all-in-one workspace for your daily tasks!

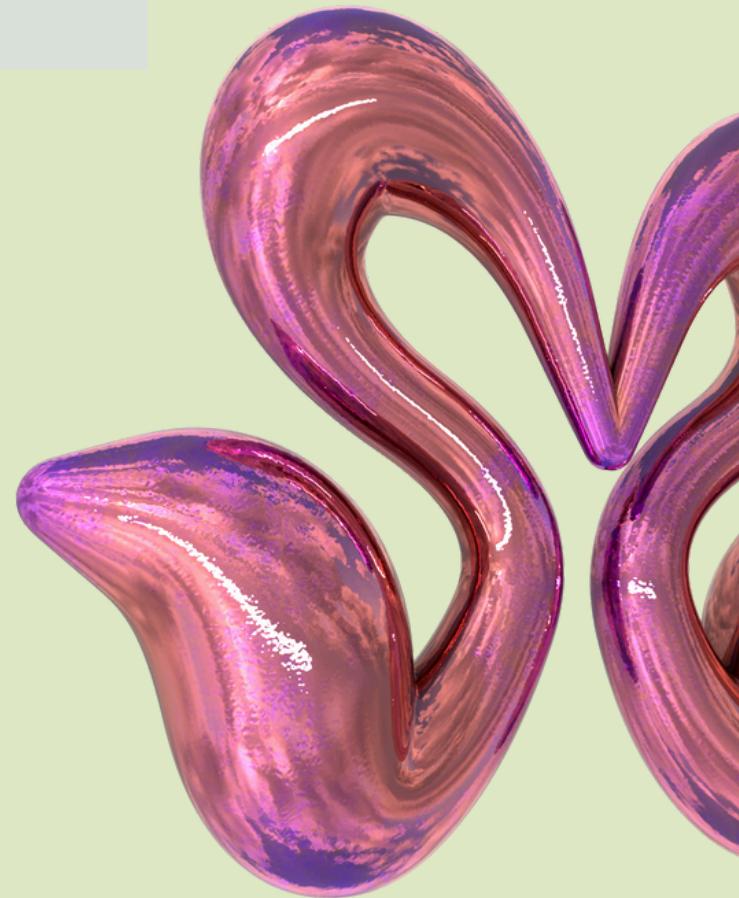

Integrate your favorite apps and organize projects efficiently with AI-enhanced features.

From task management to project planning, Notion keeps everything in one place.

Collaborate seamlessly with your team and stay on top of your goals.

Experience the future of productivity with Notion!

The screenshot shows the Notion homepage with the tagline "Write, plan, organize, play" and "Turn ideas into action with Notion's AI-powered workspace". It features a "Get Notion free" button and a "Request a demo" link. The main content area displays the Notion interface with sections for "Company" (Mission, vision, values; Office manual; Employee directory) and "Locations" (London, New York, Paris). A sidebar on the left shows "Acme Labs" with sections for Favorites (Acme Labs, Brainstorm), Teams (General, Engineering, Design), and Teamspaces (General). A cartoon character of a person thinking is shown on the left side of the interface.

8 ORGANISE YOUR LIFE

The screenshot shows the Todoist website homepage. At the top, there's a navigation bar with the Todoist logo, a search bar, and links for 'Features', 'For Teams', 'Resources', 'Pricing', 'Log in', and a prominent red 'Start for free' button. Below the navigation is a row of four colorful icons representing different productivity categories: a study area, a vacation, a face, and a workspace. The main headline reads 'Overwhelmed On top of it'. A sub-copy below it states: 'Todoist makes it frictionless to get all your tasks out of your head and organized in one trusted place.' Another red 'Start for free' button is located at the bottom of the main content area.

Todoist AI Assistant

Master your tasks with Todoist AI Assistant, your personal productivity coach!

Get actionable tips, break down tasks into manageable sub-tasks, and stay organized.

10 FOCUS ON WHAT IS IMPORTANT

The Krisp website features a large red number '10' on the left, with a black wavy line extending from its base towards the right. The main heading 'FOCUS ON WHAT IS IMPORTANT' is positioned above the wavy line. On the right side of the page, there is a screenshot of the Krisp software interface. The interface includes a transcript of a meeting between 'Emily', 'James', and 'You'. It shows various controls like play, pause, and volume, along with a timeline from 23:45 to 59:20. Below the transcript, there are sections for 'Note Taker', 'Accent Localization', and 'Noise Cancellation' with toggle switches. A purple button labeled 'Get Krisp for free' is located on the left side of the interface screenshot.
